

VA CCN Health Care Delivery Schedule: Region 3

Key Points

- Department of Veterans Affairs (VA) Community Care Network (CCN) Region 3 Start of Health Care Delivery (SHCD) began at Veterans Health Care System of the Ozarks (AR), Orlando VA Medical Center (FL) and Viera VA Clinic (FL) on Jan. 7, 2020.
- VA will be using a gradual transition so Region 3 VA Medical Centers (VAMCs) have the ability to continue addressing COVID-19 in their communities while transitioning into CCN. Beginning on Monday, May 18, the remaining VAMC sites in Region 3 will have access to the Community Care Network. All sites will be fully deployed by June 16.
- The VAMC in surrounding areas may issue referrals to fully on-boarded providers prior to May 18.
- To be fully on-boarded, a provider must be contracted, loaded in Optum's database and available in VA's Provider Directory.
- The VAMC and station number will be listed on the approved referral.

| VAMC | Station Number | Facility State | Includes Veterans Living in These States |
|--|----------------|----------------|--|
